Subject: Contract Employment as Mobile App Developer

Dear Eshanokpe Daniel,

I am pleased to offer you a contract employment as a Mobile App Developer at InfoBrain, a software development startup company. The contract will be for a period of 2 months, starting from 21st of August, 2023 to 20th of October, 2023.

As per our discussions and your expertise in mobile app development, your primary responsibility will be to develop a user-friendly and interactive mobile app for Brainepedia Wallet. This project aims to enhance our customers' experience and provide them with seamless access to their wallet and services. The total cost for this project is 250,000 Naira.

Please find the terms and conditions of your employment outlined below:

1. Position: You will be employed as a Mobile App Developer, reporting directly to the Project Manager.

2. Contract Period: Your contract will commence on 21st of August, 2023, and will conclude on 20th of October, 2023. This contract period may be extended based on project requirements and mutual agreement.

3. Compensation: Your compensation for this contract period will be based on module completion, payable at the end of every modular success reviewal.

4. Documentation: You are to document your development process. Including technologies, framework & languages used with proper comment within your code base.

5. Confidentiality: Throughout the course of your employment, you will have access to confidential information related to InfoBrain and its clients. You are required to maintain the confidentiality of all such information and refrain from disclosing it to unauthorized parties. This obligation remains even after the termination of your contract.

6. Ownership of Work: All intellectual property rights, including copyrights, related to the mobile app developed during your employment will solely belong to InfoBrain. You will not have any claim or right over the digital assets produced during the course of this project.

7. Termination: Either party may terminate this contract with a notice period of one week. This termination may occur before the end of the contract period if exceptional circumstances arise, including but not limited to, breach of contract, misconduct, or project cancellation.

We look forward to working with you and achieving great results together. If you have any questions or require any further clarifications, please feel free to contact me.

Sincerely,

Adepoju Adedamola

Project Manager
